Two recommendations:

1. Listeners with whom the two-part "Gates of Hades" messages {Difficult Passages of the Bible #17 & #18} resonated will appreciate the newly posted study in the Ezekiel series -- #9 "God performs His strange work by sending deceiving spirits..." This study reveals how God provides His people with X-ray vision enabling them to discern what is inside evil religious and political leaders' minds / souls who are trying to mask / whitewash themselves as good people. God provides insight for His sons and daughters / brothers and sisters for their own protection by exposing the truly evil leaders who are intentional liars and frauds. It also explains the current crazy talk and lunacy running rampant in the world.

   Ezekiel #9: God performs His strange work by sending deceiving spirits to possess intentional liars in Political & Religious Realms

2. We encourage listeners to download lessons onto their computers, mp3 players, mobile phones, flash drives, and external hard drives rather than merely listen online. That helps to insure you will always have these lessons available for your carved out personal listening time as well making the Good News available for those left behind at the Rapture.
