A dynamic overview of her life in one presentation.

So glad to see the guestbook is operational once again.

Thank you and your team, copine Carly, for all your hard work!

Good Morning !

I am so glad that there are many others besides me  
who have been blessed by Johnny’s faithful teaching  
about the grace we have in Jesus Christ !

Please may I have some more audios?

I was excited about the series of First John;

but there is only the initial episode.

Where can I go or how can I find Johnny’s recent lessons?

Finally, thank you Johnny and Connie !

Galatians #1

## OVERVIEW OF GALATIANS

*Freedom from* → *Freedom to*

I have often heard it said of someone that he has “the gift” of teaching.

And many times my opinion is that they are good speakers or they are interesting.

I take the “gift” of teaching to be supernatural.

This teacher truly has the gift.

What I have found is that he will take a verse that I do not understand.

Then, after he explains it, I think “Well of course”.

He sees things in Scripture that I can’t see without his help.

The newly posted overview of Galatians is a wonderful example.

As he spoke, Holy Spirit was speaking directly into my life!

I was excited to see the new lesson on Galatians.

I have been a believer since I trusted in Jesus as my savior when I was a child.

I go to church every Sunday and I listen to sermons throughout the week.

However, I have never heard anything like this.

I started taking notes then gave up and just listened.

I have listened three times and now I am ready to take notes.

All of this is so new and God-sent that it takes time to assimilate!

This study is phenomenal. “Freedom from / freedom to”

I can't get it off of my mind. I have shared with all of my friends.

This teacher gives the Gospel in every lesson without fail.

He needs protection from Satan.

I love this intro to Galatians.

What a new approach to teaching the Bible.

I hope his is the beginning of a series on the epistle!

UBS Greek New Testament Committee - 1980

I was delighted to discover the Bible origin series.

It did not take me long to realize who this presenter is.

He played an instrumental role in establishing the Greek New Testament text.

I also came to the realization that he is almost certainly the only person in the world who has this connection to the committees

and who can provide the world with the understanding

of the discovery of the original words that God breathed.

“The Bible: Origin & Transmission” series

Robert King, Johnny's linguistics professor, recently went to be with Jesus.

Although he had lived with Alzheimer's disease for years,

he always remembered Johnny and listened to his podcasts with great delight.

He passed along the Bible origin series to his colleagues around the world with pride.

He loved telling people that he taught Johnny all about linguistics.

In fact many times he stated that, over his 40 plus years of teaching,

Johnny was the brightest student he ever had

and that he had learned some things from Johnny.

Sometimes he would laugh and say that it made him mad

at how easily Johnny could speak foreign languages!

He particularly enjoyed visiting with Johnny over a cup of coffee.

I know that Bob would want me to thank you

for the wonderful moments you gave him over the years!

I was delighted to discover this website for many reasons.

My ancestors were born into slavery.

They were blessed to be transferred to Major Howell Tatum in Tennessee.

Major Tatum promptly gave them their freedom

and gave them a start to financial independence.

He provided education and training for them.

Many artists, athletes and musicians trace their lineage back to this group

who took the name Tatum as their family name.

Regardless of the DNA, many black Americans to this day

consider Major Tatum as our Grandpa Howell.

Major Tatum was a very powerful Bible teacher.

He was a Greek scholar and taught using the original words of Scripture.

I feel certain that Professor Tatum is following in the footsteps of Grandpa Howell

“Grandpa Howell”

I was so excited to find your website.

I have been listening every Sunday morning at radio station 87.9.

I trusted in Jesus as my savior in the first lesson of Isaiah

and am thoroughly enjoying every study.
