

# Letters to Worldnet Grace Ministries

## April 2021

Incredible! The lesson of "Lunatics and Liars".

The descriptions of people in the latter days are precise and accurate.

I am beginning to listen to "The Life of Jesus".

I have a feeling I have underestimated who He is.

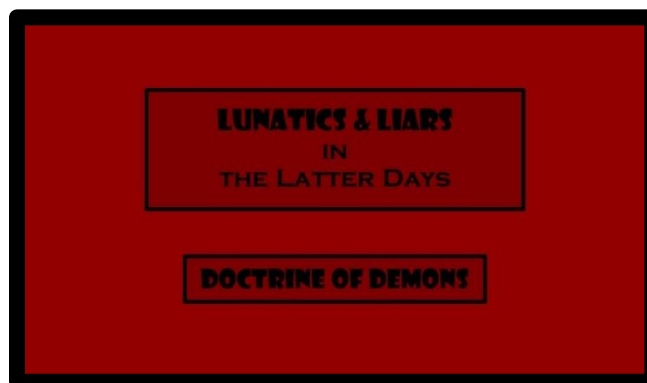

Malta

Praise God !

I found Him in Jesus among the liars and lunatics!

Nantes, France

Les podcasts français sont une mine d'or d'informations.

Ils expliquent pratiquement tout ce qui se passe  
dans l'arène politique et gouvernementale.

J'apprécie beaucoup l'enseignement biblique -- les seuls que j'ai compris.

The French podcasts are a gold mine of information.

They explain almost everything that is happening  
in the political and governmental arena.

I really appreciate the biblical teaching -- the only ones that I have understood.

Paris, France

Thank you for posting the document "What is the Gospel & what it is not" in French.

The translation provides clarity and assurance about eternal life  
for my friends in France who have been listening to the French podcasts.

Would you consider translating the document in Spanish?

I have new friends from Venezuela who are interested  
in having the document in their native language.

Praying for those who have already placed their trust in Jesus as Savior  
to be emboldened to share

the Good News of Jesus Christ in these latter days !
