

Letters to Worldnet Grace Ministries

July & August 2016

After years of denying the divine nature of the Bible,

“The origin and transmission” series proved without a doubt that
the Bible is the supernatural word of God.

After listening to the newest lesson (6, which in my opinion is the best of all)

I am convinced that Jesus is God and savior.

The Lord, to whom all praise is due, employed the messages of Ezekiel
to reveal to me the true path to heaven.

{Ezekiel – The Pantomime Prophet}

The Lord - bless His name - is enthroned upon the cherubs whose wheels
impact the earth and the inhabitants thereof.

Praise is indeed becoming to the Lord who accepts
the substitution of Jesus.

The messages brought me from total ignorance and darkness to knowledge and light.

The “Bible origin & transmission” series of studies is astonishing for manifold reasons.

Nothing like this has ever been attempted

and yet the information is critical for our understanding of the Bible.

I am in awe of the Professor's knowledge of Greek and his lively presentation.

We will not know until we get to heaven how many have been

drawn to these messages,

then to the Scripture

then to Jesus.

Thessaloniki, Greece

Such a momentous occasion when I was first directed to

“The Bible origin and transmission” series of studies.

Certainly there was no interest in the Bible.

These lessons were so stimulating that I began to listen to the Ezekiel studies.

I understood that Jesus died for me.

He died in my place.

He dealt with all of my sins.

I have a new joy of life

and I am pleased to recommend the lessons to everyone
