48. **What's My Line?** Mystery Hero

**THE TRUE HERO
WITH A THOUSAND FACES**

"The Hero with a Thousand Faces" is absolutely astonishing.

This teacher has in my opinion done a much better job
of identifying the hero than Joseph Campbell.

I am going to listen again

and pass it along to my colleagues.

Vienna, Austria

The "true" hero with a thousand faces is absolutely stunning.

To trace the story of the mysterious hero through fairy tales and movies

was a monumental achievement -

and then to identify him -

the pastor completed the work of Joseph Campbell.

If more religious teachers would teach like this we might listen.

I will certainly listen to this one.
