# Life of Jesus – Learning to Listen

**February 2017**

These messages clearly explain the chaos in our government and political system.

{Difficult Passages of the Bible # 17 – 19}

{Ezekiel, the Pantomime Prophet #9}

I am amazed.

I thought the Bible was a book about how to be a good person.

Now I am beginning to listen to the life of Jesus.

{Life of Jesus – Learning to Listen}

I am anxious to know about Him.

Helsinki, Finland

**June 2017**

Excellent studies of the ship voyage.

They were so intriguing that I dared to begin the studies of Jesus.

Most fascinating.

Tel Aviv, Israel

## **July 2017**

Greetings from Ireland and a heartfelt thank you for your Bible studies.

I love this teaching because it is clear and thought provoking.

My thoughts needed provoking a few years ago

when I trusted in Jesus as my savior

after the lesson on Jesus and Nicodemus. {Life of Jesus #19}

The series on the book of Acts was excellent, especially the last 4.

Dublin, Ireland

## **August 2017**

It took the entire History of the World series of messages.

Then the entire Life of Jesus.

My stubbornness was finally worn down.

Now I trust in Jesus as my savior.

Miami, Florida

I was at the end. I was beyond discouraged,  
I was hopeless. I had been so mistreated.

In despair I asked out loud, "Why are people so evil?"  
I searched for answers and couldn't find any.  
It was as if nobody wanted to acknowledge that people are evil.

SO I started looking online for help which I desperately needed.

I don't even remember what my search words were but I started looking.  
Incredibly all of a sudden an audio started playing on my computer.

I looked at the screen and saw the title **"WHY ARE PEOPLE EVIL AND INSANE!"**  
{Life of Jesus # 9}

As I listened I heard answers to all my questions!!

So I found answers I was looking for.

And I found answers I wasn't looking for.

I found the answer to my darkness.

I found the truth about Jesus who became my substitute and died in my place.

Huntington Beach, California

Astonishing claims of Jesus of Nazareth who we respect as a prophet.

Admittedly these presentations are very intriguing –  
sufficiently that I will continue to follow.

I appreciate the gentle tone.

Al Kharj, Saudi Arabia

These Bible lessons are absolutely Majestic.

I have never owned a Bible nor have I ever read one.

Nor have I ever heard anything that would make me want to read it.

I began listening to the History of the World Series which is an absolute masterpiece.

I then listened to the entire Life of Jesus series

but before I finished I had trusted in Jesus as my saviour.

He is my substitute.

Thank you for bringing me the message that

saved my life and

secured my eternity.

Helsinki, Finland

It is stunning what has happened to my life

since I listened to the Life of Jesus (series).

I have forsaken my lifelong religion,

and unfortunately many of my family

because I trusted in Jesus as my savior.

Petaling Jaya, Malaysia

## **September 2017**

Very remarkable presentation of Jesus of Nazareth.

Very unsettling but I admit I cannot help but to listen.

Thank you.

Incredibly enjoyable studies from the Christian Bible!

If other Christian pastors taught in this manner they could be as well received.

And also incredibly our study group numbers 22

and we are about to begin listening to “The Life of Jesus”.

Bat Yam, Israel

The life of Jesus is astonishing.

The Christian Bible is new for me.

Bethlehem, Israel

## **October 2017**

The studies from the Christian Bible are very good and actually enjoyable.

The manner of teaching is new to me -- it is authoritative and powerful.

I have just started the life of Jesus series.

I have always wanted to know more about Him

but I do not like any presentations I have ever heard prior to this.

Bet Shemesh, Israel
