

Letters to Worldnet Grace Ministries

November & December 2021

J'ai apprécié de vous écouter tous les jours cette semaine sur Radio France.

Je suis allée sur votre site web et j'ai écouté le podcast français sur l'histoire de Ruth.

J'ai appris beaucoup de choses sur elle, mais j'ai surtout appris à connaître Jésus.

Translation:

I enjoyed listening to you every day this week on Radio France.

I went to your website and listened to the French podcast on the story of Ruth.

I learned a lot about her, but mostly I learned to know Jesus.

Bois Colombes, France

J'ai été très heureuse de vous découvrir sur Radio France

après avoir apprécié vos émissions sur Europe 1.

Quel que soit le sujet, vous ramenez toujours tout à Jésus et loin de nous-mêmes.

Translation:

I was very happy to discover you on Radio France

after having enjoyed your broadcasts on Europe 1.

Whatever the subject, you always direct us to Jesus and away from ourselves.

Île-de-France

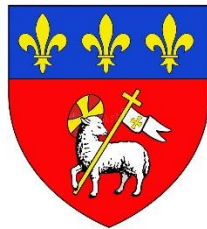

J'ai beaucoup bénéficié des podcasts français.

En commençant avec zéro connaissance, j'ai maintenant appris l'essentiel --
que Jésus a payé la pénalité pour tous mes méfaits !

Translation:

I benefited greatly from the French podcasts,
Beginning with zero knowledge, I have now learned the essential --
that Jesus paid the penalty for all my wrongdoings.

***The second interview with Johnny Tatum on Radio France
occurred on Thursday, November 25, 2021
(Thanksgiving Day in the United States of America)***

La présentation des empires mondiaux - passés, présents et futurs - était passionnante.

Je ne savais pas que la Bible contenait ces informations.

L'enseignement sur Jésus et la confiance en lui est nouveau pour moi.

Translation:

The presentation of the world empires - past, present and future - was exciting.

I did not know that the Bible contained this information.

The teaching about Jesus and trusting in Him is new to me.

Blois, France

J'apprécie chacune de ces apparitions sur Radio France et Europe 1.

Le site web et la chaîne Youtube contiennent également d'excellents messages.

Je suis frappée par les références à Jésus.

***The following two letters refer to
“The Bible: Origin & Transmission” series.***

This scholar has made an invaluable contribution to the preservation and appreciation
of the restored words of the New Testament.

He is the only living person who was involved with both committees
and therefore in a perfect position to preserve their work.

London, England

The professor is indeed an expert. Bruce Metzger referred to him as
“the only living native speaker of classical Greek”.

Berlin, Germany

Here is a response to a similar letter we received four years ago:

Thank you for your gracious remarks.

Just a note of clarification:

Bruce Metzger was speaking in a hyperbolic manner,

which was totally in keeping with his facetious sense of humor.

We acknowledge the numerous scholars throughout the world

who maintain native Greek fluency and we appreciate

their comments based on their unique perspectives.

The Christmas Story (as found in “The Life of Jesus series”)

4. Jesus born in Bethlehem

5. Shepherds visit the Savior

7. Who were the Wise Men / Magi ?

8. Herod & the Flight to Egypt

J'ai écouté avec plaisir chacun des messages de Noël,

au fur et à mesure que l'histoire de Jésus mon Sauveur se déroulait.

Translation:

I enjoyed listening to each of the Christmas messages,

as the story of Jesus my Savior unfolded.
