

# Letters to Worldnet Grace Ministries

**October 2010**

The Hebrews messages... I don't know where to begin. The first time I heard the Chapter 12 sermon it was somewhat disconcerting.

{Hebrews series #s 6 & 7}

I think it was because it was all so different from anything I had ever heard before that I had no point of reference. But at the same time I knew with no doubt that the Holy Spirit was speaking very strongly.

So I listened again. And again. With the third hearing it became clear.

I have heard many sermons over the years, some terrible, some OK, and some very good. None ever really changed my life. This one did.

May God bless you.

Someone should pass a law requiring every Christian to listen to the judgment seat sermons. It has changed my life. Blessings to you

**New Haven, Connecticut**

May God richly reward you for providing such a wealth of sermons at no cost. We listen to no one else.

**Roanoke, Virginia**

How delightful, after listening to you faithfully on the radio every Sunday evening to hear that familiar voice and the familiar unwavering message of God's grace --- but not in French! What a surprise to learn you are American!

These messages are uplifting and freeing.

My husband won't go to church and won't listen to sermons. He is captivated by the Joshua and the Judges lessons. He listens every night and I "happened" to see he's listening on the way to and from work. PTL!

### **Mount Airy, North Carolina**

Dear friends,

Thank you for these powerful messages directly from the Holy Spirit!

### **Jackson Hole, Wyoming**

Wow. I listened to the judgment seat sermons -- all 3. {The Blessing Place of Christ series}

I was so excited. For the first time in my Christian life I realized that I could go directly to Jesus and speak with him with no fear.

I shared this in our Ladies Bible study and was met with hostility. I bet you get a lot of that.

Keep on, brother. You're right and they're wrong. It's as simple as that.

### **Abilene, Texas**

Worldnet,

Thank you for the life changing messages. I love the study of Ruth and my husband is fascinated by the Elijah Elisha series.

**Tampa Bay, Florida**

When I first heard the message about confessing and repenting (not having to) I was horrified. I thought you were a heretic.

{Hebrews #4}

But..... I kept listening. I was strangely drawn to listen. It was the Holy Spirit drawing me. And it was the Holy Spirit speaking with your voice.

My relationship with Jesus will never be the same! God bless you
