## September & October 2016

I have been so favorably impressed by a Christian teacher  
who addresses Bible difficulties head on  
instead of using dodges and old meaningless clichés.

The Bible origin and transmission series brought instant credibility  
and the beginning Bible difficulties series has confirmed it.

This is the first time I and many others have ever taken the Bible seriously enough  
to pursue what it says

**Zürich, Switzerland**

The Bible origin and transmission series, and now the Bible Difficulties (series),  
are clarifying many issues I have had with the Bible.

Extremely good studies

**Beijing, China**

With reference to the Bible origin and transmission studies -- they are captivating.

The Bible difficulties presentations likewise

**Amman, Jordan**

Excellent Bible origin and manuscript series of lessons

which led into the Bible difficulties studies.

I appreciate the direct approach to these difficulties.

The gospel is presented without exception in every message.

**Barcelona, Spain**

As missionaries in India for several years

the Lord has blessed us in reaching many of the lower caste people.

The Bible origin and transmission studies are a gift from God.

We have used them to reach the academic and intellectual circles,

where they are very well received.

The message of salvation is conveyed throughout the studies.

Now the studies of Bible difficulties is very well timed and likewise well received.

**Mumbai, India**

The Bible origin and transmission treatises have led me,

not without some pain,

to reevaluate the Bible.

Magnificent presentation and virtually impossible to refute.

**Saudi Arabia**

I am overwhelmed at the Bible origin and transmission series.

Behind the impeccable scholarship is a powerful evidence of

the divine origin of these writings.

I have indeed "changed my mind".

**Damascus, Syria**

Thanking you for the new Ezekiel #7. Perfect timing.

Many are added to our study.

And many are added to Jesus.

**Iceland**

Ezekiel – The Pantomime Prophet

**#30 Governor Felix avoids Eternal Destiny & Judgment Issues**

**WARNING!!!**

**ALL HUMAN BRAINS ARE HARDWIRED FOR PROCRASTINATION**

Acts #30 is a must read for anyone who wants to understand why people procrastinate.

Above all it provides the best explanation ever for why  
older people may not be concerned about their eternal destiny.

**London, England**

Incredible insight into the hard wiring of the human brain toward procrastination.

I am never embarrassed to share any of these studies.

This, as all the others, has been well received.

**Moscow, Russia**

Astonishingly accurate description of the human brain being wired for procrastination –  
and the spiritual implications.

This is an excellent evangelistic venue for colleagues in the realm of  
psychology and psychiatry.

**Munich, Germany**

I am praising God for the Bible origin and transmission series.

My elderly father, a scholar, refused to listen to or read any material  
concerning the Bible.

I pleaded with him,

"Father, please I have just one request.

Please listen to one of these scholarly studies."

I selected number 5. {The Bible – Origin & Transmission}

He was actually excited and loved this. He then listened to each one.

Upon listening to each and, following that, listening to the Bible Difficulties  
he happily trusted in Jesus as his savior!

Now he is telling the news of these studies and of Jesus.

**Novosibirsk, Siberia**

I appreciate the courage to present the {Bible} manuscript issues and  
the difficulties in a straightforward manner.

As a result I have an appreciation of the Bible.

I am encouraging all to listen with care and an open mind.

**Khartoum, Sudan**

Amazingly excellent lesson on procrastination! {Acts #30}

**Iceland**

These messages are such that they shake one's inner soul.

I encourage everyone to listen with care.

**Saudi Arabia**

The thrilling Ezekiel messages have awakened me to know Jesus.

{Ezekiel – the Pantomime Prophet}

I am forever grateful and praising God.

These studies are very thought provoking and appealing.

If all Bible teaching was like this there would be much better response.

Calm, reasoned, clear

**Saudi Arabia**

Excellent Bible origin and transmission studies.

Best I have seen from Christians.

**Saudi Arabia**

Highly impressive and most enjoyable presentations of

the Bible origin and transmission podcasts.

And now the Bible Difficulties lessons are thoroughly engaging.

I would recommend all of these to my colleagues and friends.

These have been a pleasant introduction to the Bible

Bible origin and transmission. Yes.

Answers finally.

Finally truth.

**Saudi Arabia**

***October 2016 letters begin on the next page ....***

# October 2016

The Bible origin series demonstrated a profound understanding of the Greek language.

After listening to each attentively I was drawn to the Acts studies.

{Acts – God uses only Defective People}

How remarkable are the events which occurred in our homeland

and yet most of us are not aware.

Of even more importance is that in every study the focus is Jesus

whose name I knew very well

but only now do I understand that

He died for my sins

**Ioannina, Greece**

The Bible origin series is very sobering in its ruthless clarity and depth.

I shut myself in my room for 5 days and listened to each “Life of Jesus” {lesson}.

He is indubitably God and savior.

Who knows what lies ahead for me.

It matters not for God is on my side.

**Saudi Arabia**

Excellent new lesson for "Acts" {# 30}

Procrastination - so full of insightful words

Our group is continuing to grow

All the time many trust in Jesus

**Iceland**

Masterful presentation of the "Bible origin" series which led me to  
the "Bible Difficulties" studies.

I very much appreciate addressing these difficult issues head on.

This has led me to a new respect for the Bible.

I intend to now explore the "Life of Jesus"

**Moscow, Russia**

"Bible origin" series -- initially interesting, then frightening to realize the implications of  
such validity of the Bible.

I urge all to listen.

**Saudi Arabia**

Jesus!

Tremendous very!

**Beijing, China**

Intriguing and compelling Bible origin and Bible difficulties studies.

{The Bible: Origin & Transmission}

{Difficult Passages of the Bible}

This is a tremendously favorable introduction to the Bible for me.

**Taipei, Taiwan**

The Bible origin series presents revelations available nowhere else.

In addition to the scholarly appeal,

I understood the way to eternal life

**Athens, Greece**

How exciting. The person who unlocked the French language to me has now

unlocked the Gospel.

Erasing of all my sins by trusting in Him

Muitas bênçãos professor

**Rio de Janeiro, Brazil**

Bible origin and transmission -

Best news I ever heard in my entire life.

**Kampuchea {a.k.a. Cambodia}**

The study of the human brain being hard wired to procrastinate {Acts #30}  
is a brilliant weaving together of cogent psychological concepts  
with profound Biblical understanding.

It is having great impact

I applaud you

**South Bend, Indiana**

The Bible origin series - a true masterpiece –  
led me into an understanding of the Bible  
and to a knowledge of Jesus,  
both for the first time.

**Hong Kong**

Bible origin series are phenomenal

**Stockholm, Sweden**

The Bible origin series has generated more interest here  
than any Christian messages I have encountered.

The entire series is an excellent vehicle for evangelism.

My sisters and brother trusted in Jesus after listening to 5 studies.

**Bucharest, Romania**

The history of the world lessons drew me to Jesus as my saviour years ago.

History of the World – Past, Present, Future

Now the Bible origin lessons are excellent for sharing with others with pride.

The Bible – Origin & Transmission

**Stockholm, Sweden**

The marvelous studies of the Renaissance first attracted me to this site.

{History of the World #44 & #45}

I had always considered myself to be a Christian but it was only through listening to the studies

that I gained the understanding that I was destined for hell.

I had never decided to trust in Jesus as my saviour.

My friends are excited now for what I share of my life and as I share the site with them.

**Passy, France**

Dear friends

I have just returned from China. I have had the extreme pleasure and privilege of

translating these awe inspiring messages into Mandarin

The “Pre-history of the World” and “History of the World” lessons have fascinated the Chinese

as they learn about their history, and the existence of God.

I will return shortly so I wanted to take this opportunity to thank you.

**Currently Europe**

The Bible origin studies confirmed my faith in the scriptures and 100% validated the Septuagint.

Of new to me was the best introduction to the New Testament I have ever seen.

I have concluded that the New Testament is also by God.

**Jerusalem, Israel**

The Ezekiel podcasts are incredibly intriguing, removing the barriers which hinder our seeing into the heavens.

I most certainly believe that what the teacher is saying is truth.

The struggle now is recognizing that this truth cannot assimilate with my religion.

I know as factual that many are listening.

Please state what you think.

**Bangalore, India**

Profound Bible origin studies.

I am seeking in vain equivalent validation of Quran

**Saudia Arabia**

Very pleasurable indeed for my first introduction to the Bible and to the religion of Jesus.
