

Letters to Worldnet Grace Ministries

September - October 2019

Wonderful and marvelous are the excellent Bible studies.

This is my first experience with the Bible and it was not as was expected.

I listen daily.

Paris, France

Stupendous and sublime telling of the “Great Stories of the Bible”.

I did not have any idea.

I telecharged all and listen two times by day!

Rouen, France

I have listened every morning and evening to and from work.

After many enjoyable listenings I grasped the essential.

I trusted in Jesus who saved me and erased my sins.

Paris, France

The wonderful and very funny story of Jehu

is a moment I will never forget when I trust in Jesus.

Rio De Janeiro

Great Old Testament Stories #18

NO—NONSENSE CAPTAIN JEHU

DRAINS THE SWAMP

These wonderful stories bring me as a magnet to Jesus my savior.

Cairo, Egypt

The lesson of Ezekiel really exciting --

above all for men who have no interest otherwise in the Bible!

More groups !

Reykjavik, Iceland

#2 Ezekiel's Vision of Living Beings

Supernatural Movement in Four Dimensions (4-D)

I finally listened to the audio files given to me during the Notre Dame conflagration.

{History of the World #s 72–74 The Coming 1000 Year Kingdom}

I wish I had begun the listening sooner.

I was blessed beyond my capacity to explain

as I discovered what was missing in my life -- Jesus !

Paris, France

The latest two episodes are both incredibly accurate and intriguing descriptions
of quantum mechanics and of the inevitable dissolution of the universe.

I am not a religious person

but these two studies have encouraged me to

download some more and continue to listen.

Strasbourg, Germany

PETER THE REDNECK POET – 2 PETER

9 THE ULTIMATE MELTDOWN

The Universe is taken apart & put back together

***With a whoosh, on the Wings of the Wind --
Big Bang in Reverse***

Closing: Dire Straits, "Pop Goes the World"

The new Ultimate Meltdown audio is so spectacular even the men are listening!

I trusted in Jesus years ago as I listened to the life of Jesus.

These scientific based studies are ones I love to share.

I am so pleased that we have a high official who is in tune with these.

Paris, France

Ouah!

The recent broadcasts have overwhelmed me,

as I listen to Bible lessons for the first time ever!

I never really grasped, or frankly, wanted to grasp

the importance of Jesus!

Paris, France

Marvelous stories -- so many and all filled with good news

of God's grace and mercy in Jesus.

I am happy to share these

because they are invariably well received and appreciated.

Pago Pago, Samoa

Excellent stories from the Bible for my first knowledge.

Entertaining and I learn very much.

Bahrain

Histoires magnifiques. J'adore. J'apprends la vérité sur Jésus

Je pense qu'il parle français.

Côte d'Ivoire

Translation: Magnificent stories. I love them. I am learning the truth about Jesus.

I think he speaks French.
