Finally to learn the meaning of Christmas.

Not jingle bell, jingle bell.

Actually the birthing of Jesus !

Excitement !

Nanchang, China

The messages of Christmas touched me profoundly.

I fear that religious people are missing the meaning of Christmas.

Jesus DID NOT COME TO INSTITUTE A RELIGION

but to die for our sins

and provide a relationship with Him by faith.

Cardinal Martini enthusiastically endorsed all of these studies.

Vatican City

I was a student in the US for 4 years.

During that time I attended a "Christian" church frequently.

I saw manger scenes and heard Christmas hymns.

I NEVER HEARD ABOUT the real significance of Christmas.

In these messages, finally I understood that Christmas is the birth of Jesus,
the God and man who died for my sins, as my substitute.
