## May & June 2012

*Note: Some of the letters below make references to our having sent out mp3 players with our messages stored on them. We would like to clarify that we have not sent out any products or materials, nor do we have the resources to do so. We are indeed very grateful for those anonymous donors who are providing these items and not taking the credit for their generosity.*

*{The first six letters below refer to lesson #71 in History of the World series}*

### [Rewinding the Triumphal Entry in the Kingdom -- Just Let Jesus Love You](#)

Thanking you. Jesus loves me. **Beijing, China**

I have listened to every one of these sermons and have compiled a list of favorites. Now I have a new one -- the lesson describing Jesus loving the little lambs touched me so deeply.

You conveyed to me Jesus' tenderness and sweet affection for us. Praise be to God!

**London, England**

The most recent study on the Kingdom has stirred me more than I can say. I didn't want it to end and I can't play it back often enough.

What a thought -- that Jesus just wants me to let Him love me.

**Atlanta, Georgia**

The message about Jesus hugging the little lambs was so powerful that my agnostic indifferent sister was enthralled and is interested in hearing more. PTL!

**St. Paul, Minnesota**

What a sweet tender portrait you painted of Jesus loving His sheep. It touched me deeply. It was very refreshing to hear this perspective from a man so it didn't sound sissified.

**Edmonton, Alberta, Canada**

Your message on Rewinding the Triumphal Entry has blessed our entire congregation. In fact we have amended a couple of our favorite songs.

Instead of "Trust and Obey" we now sing:

"Just let Him love for there's no other way to be happy in Jesus but to just let Him love"

And we have added a verse to the song "I have decided to follow Jesus":

"I have decided to let Jesus love me"

Thank you for your powerful lessons straight from the heart of God!

**Pastor of a Methodist Church**

Dear friends back home,

It brightens my day to hear your messages. I want to tell you how moved all of us on this ship in the \_\_\_\_\_ to hear you speak to us with words of encouragement.

We have a deep sense of purpose knowing that we are the great eagle of God.

{History of the World #s 62 & 64}

On a personal note, I have a hard time evangelizing. Now I don't have to - your faithful gospel presentation is working, I assure you.

**USM**

How thoughtful of you to take time to send the mp3 player to me in the middle of nowhere!  
I am totally absorbed in these studies.

**USM**

You almost brought tears to this war weary soldier. I miss my wife and my little ones and obviously face the real possibility that I won't see them again. I know I will go to heaven because Jesus died for my sins. But I've often wondered, what about my kids? Will they be in heaven? Will I see them? Will I know them? Your message that my little ones will be brought to me gave me such reassurance to me that I can face another day.

{History of the World # 72}

I'm so happy to know that nothing will be lost! I've listened to your message three days in a row. If I have to listen every day until I'm back home I will. I hope you address the subject of husbands and wives in heaven.

{History of the World # 73}

May God bless you

**USM**

Never thought I'd be emailing a preacher. Never thought I'd be in the army. Never thought I'd be in the middle of \_\_\_\_\_.

I couldn't imagine what I had done to God if there was one what I did to arrive here.

Then a buddy loaned me his mp3 player and encouraged me to listen to you.

First I listened to the messages about Joshua. I thoroughly enjoyed all of it. Listened over and over. {Joshua series}

Then I moved on down to your description of the future. Then it all made sense.

{I Thessalonians series; History of the World #s 56 - 79}

God had to put me in the army, bring me to \_\_\_\_\_ and bring me to hopelessness so I could believe in Jesus as my Savior. I'm going to heaven. Nothing else matters.

Gonna stop now. Can't be seen teary eyed.

**USM**

## **June 2012**

Dear great friends back home,

Indeed I do consider you my friends. I've received many gifts from home. None have been as overwhelming as the gift you gave us by sending a message just for us.

{History of the World #74}

Your message has sustained me through many long nights of anxiety. May God repay you.

**USM**

I am a Chaplain, privileged by God to minister to the soldiers serving in these far away deserts.

Many are brave young men, fighting the constant fear. It's easy to lose sight of our purpose. Often it becomes hard for me to provide them the comfort and assurance they so desperately need.

I am so overjoyed to give them the gift of your messages which have come to us just at the right time. I cannot verbalize how perfect the timing was. My dear soldiers were emboldened and strengthened by your words just at the time we successfully launched a major operation with no casualties.

{History of the World #s 62, 64, & 74}

And thank you for so clearly hammering the Gospel which resonates throughout every lesson.

**USM**

Your powerful words of encouragement are sustaining me so far from home, and yet, thanks to you, so close to Jesus.

**USM**

Your World History series has been unbelievably informative. Much better than the Teaching Company.

**Massachusetts**

These daily lessons get me through the days and long nights. **USM**

I never went to church or really thought much about God. I joined the Army just to try to carve out a purpose for my life.

The first message I heard from you strongly moved me and reassured me that God did indeed have a purpose for my life. The second message I heard led me to believe that Jesus died for my sins.

I hope I will make it back home alive. If I don't that's OK. I will be in heaven.

Thank you so much

**USM**

I am so grateful for the mp3 player loaded with your messages.

Many of us have enjoyed the series on Joshua. What a great book for soldiers and what a great, inspired presentation.

God's blessings on you.

**USM**

Your studies lift me from depression to joy, and from deep fear to strong encouragement. Most of all, you keep pointing me to Jesus.

**USM**

This mp3 is the best gift I have received from home. I listen all the time. **USM**

I never knew much about the Bible other than what people say.

I've always heard "God moves in mysterious ways". I don't know if that's in the Bible but it's what I have experienced.

God moved me out of my comfortable world to face an area where my life is literally in constant danger. Mysterious indeed, but well worth it because I now am trusting in Jesus. He died for my sins.

Thank you from this still scared soldier.

**USM**

It was worth the ordeal of coming to \_\_\_\_\_ just to hear your message of Jesus that saved me and gives me eternal life.

I can face anything now.

**USM**

I love learning the truth when it comes to the word of God. I have found your teachings very interesting and fulfilling. Thank you for your sharing your wisdom of scriptures with others.

**Boston Massachusetts**

I listened to the first Joshua study then to the Judgment Seat study.

{ "Joshua" series; History of the World #58 }

I learned more from those 2 lessons than in 30 years of sermons.

**Dallas, Texas**

Speaking from the perspective of a seminary professor, I have been so blessed by these Bible studies. And I have learned so much.

These lessons are the equivalent of a post-graduate seminary curriculum.

### **London, England**

Thank you again so very much for sharing your Bible studies generously.

They have literally brought hope, joy and fulfillment into my life.

### **Mumbai, India**

It's very humbling to realize that you have prepared messages just for those of us in the military.

{History of the World #74}

Actually you did more than that. Somehow you prepared the message just for me. You spoke personally to me.

You told me that I have sinned. I cannot save myself. Even though I willingly came overseas as a heartfelt duty, willing to put my life on the line, even that wouldn't get me to heaven.

You told me I needed a Savior, Jesus. I got the message.

I have now believed that when Jesus died on that cross he died for my sins. I'm so happy.

### **USM**

Praise the Lord. You literally scared the hell out of my husband!

{History of the World #76}

### **Brazil**

Dear Worldnet,

I've been living what I thought had to be worse than hell here in \_\_\_\_\_.

Your description of what hell will really be like shook me up. I realized I didn't want to go there.

{History of the World #76}

I was so hoping you would clearly explain how I could avoid that nightmare and go to heaven. That you did. How simple. Believe in Jesus as My Savior. That's what I did. I just got promoted into heaven.

**USM**

Dear friends back home,

What I used to dread is now what I look forward to -- alone in my tent listening to your messages. I feel like I'm transported out of here.

May God bless.

**USM**

I've been wanting to communicate with you ever since you sent me the player loaded up with all these interesting studies. I've enjoyed them so much. I really liked the Joshua lessons. It was the first time I was ever exposed to the Bible.

Turns out it was good that I waited to correspond with you. Because something happened to me last week.

Your message on hell was one I did not enjoy. Obviously I was not supposed to enjoy it. It hit me harder than the enemy fire flying around us on the step. So no, I didn't enjoy it.

{History of the World #76}

But I do enjoy being born again which I have been. My mother is so happy. I'll see you guys in heaven.

**USM**

I had always pictured hell just as you described it with a pit of fire and Satan with his pitchfork. It seemed laughable to me.

After hearing your powerful description of hell I wasn't laughing. I realized I can't bear the thought of going there.

{History of the World #76}

I'm so grateful that you simply and carefully explained how to go to heaven. I now believe that Jesus died for my sins.

Keep doing what you're doing, Sir.
