O seu comentário sobre a Rádio Portugal foi realmente uma abertura de olhos!

Avidamente fui ao vosso website e tenho devorado os vossos podcasts franceses.

Eu nunca ouvi Jesus ser apresentado desta maneira.

Translation:

Your commentary on Radio Portugal was really eye-opening.

I eagerly went to your website

and I have been devouring your French podcasts.

I have never heard Jesus presented in this way.

Votre vidéo YouTube sur le futur sauveur de l'europe

ne cessait d'apparaître comme une suggestion,

alors j'ai finalement cliqué dessus il y a plusieurs semaines.

J'ai été stupéfait.

Vous avez parfaitement décrit la situation en Europe et

fait quelques prédictions qui semblent certainement se réaliser.

C'était la première fois que j'entendais parler de Jésus comme de mon sauveur.

J'espère que d'autres podcasts français sont à venir !

Your YouTube video about the future savior of Europe

kept appearing as a suggestion,

so I finally clicked on it several weeks ago.

I was stunned.

You perfectly described the situation in Europe

and made some predictions that certainly seem to come true.

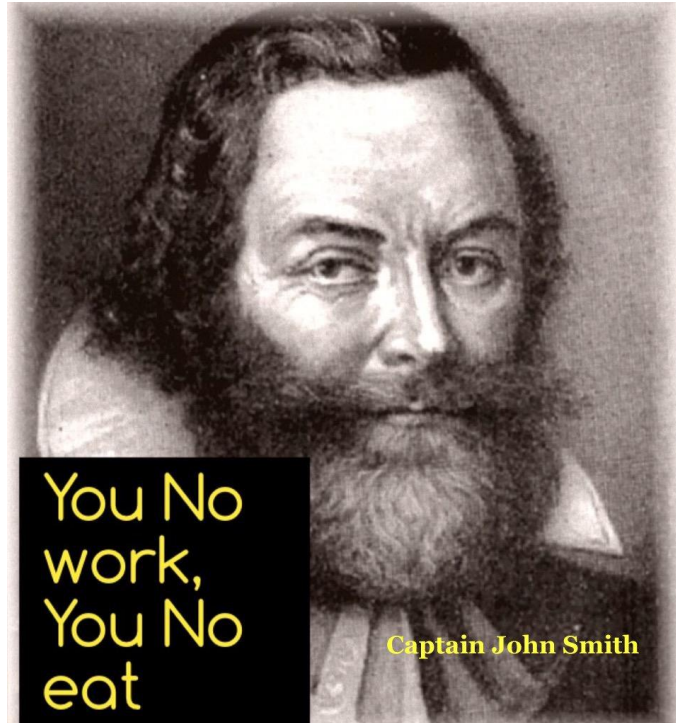

It was the first time I had heard of Jesus as my savior.

I hope there are more French podcasts to come!

On May 24, 2022 a new audio study was posted:

THE IMPACT OF LAZINESS ON A SOCIETY: The Prison of Victimization

*Comment on the RadicalGrace Bible Studies YouTube channel
under the above post:*

Thank you for this new content as your Bible studies are a fresh plate of food

that is very much needed today.

It is greatly appreciated.

I'm a male nurse and work in a nursing home for the last 37 years

and your content and application of the gospel has helped very much

in the sharing of the gospel in a environment that is already taxing...

so thank you for this new audio.

The listener continued his observations about the new audio on “The Impact on Laziness on Society” and previous YouTube audios on the “RadicalGrace Bible Studies” channel.

Excellent video on how the dominions today are influencing some of the workforce today becoming lazy and migrating toward

wanting everything just given to them.

You can see the thrones principalities and dominions at work

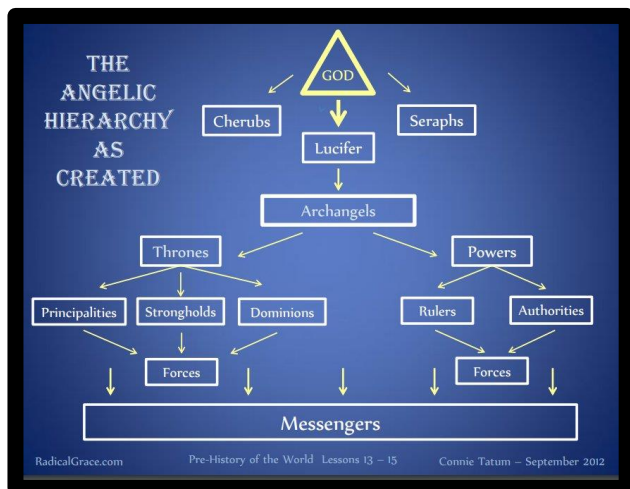

and to further understand this watch the Radical Grace video

(also found in the “Pre-History of the World” series at RadicalGrace.com)

titled “The Angelic Hierarchy -- the Ultimate Star Wars” audio.

***Johnny Tatum was interviewed on Radio Italia

I suoi commenti a Radio Italia mi hanno scioccato.

Ascoltando la sua pacata presentazione,

mi è apparso chiaro che la mia religione di una vita è una frode.

Ho sempre sentito parlare del "Vangelo",

ma questa è la prima volta che scopro cosa significa.

Translation:

Your comments on Radio Italia shocked me.

Listening to your calm presentation, it became clear to me

that my lifelong religion is a fraud.

I have always heard about the "gospel,"

but this is the first time I have learned what it means.

Ho imparato più cose in pochi minuti che dopo anni di lavaggio del cervello religioso.

Radio Italia ha promesso di averla nuovamente come ospite.

Translation:

I learned more in a few minutes than after years of religious brainwashing.

Radio Italia has promised to have you back as a guest again.
