October 2020

Merci pour vos excellents commentaires sur le journal télévisé.

Vous avez ridiculisé l'intellectuel bidon.

J'ai appelé Europe 1 pour les encourager à vous inviter à nouveau.

Ils m'ont assuré que vous seriez un invité régulier.

Ils m'ont dirigé vers votre site Web et votre chaîne Youtube.

Le podcast du livre de Ruth est majestueux.

Your lessons are striking.

I have learned much about the world scene and about the Bible.

The knowledge of Greek is strikingly accurate and very impressive.

Wonderful and exciting are the new podcasts as well as earlier ones!

New members always find these interesting

and are drawn in to Bible study!

J'ai entendu votre commentaire il y a quelques semaines
sur le libéralisme et le conservatisme.

C'était délicieux.

Je n'ai pas pu saisir l'adresse du site Web.

Heureusement, le personnel d'Europe 1

m'a guidé vers votre site et vers la chaîne Youtube.

J'ai dévoré les podcasts français et j'en redemande.

En partant de zéro, j'ai beaucoup appris sur Dieu, beaucoup sur Jésus.

Translation:

I listened to your commentary a few weeks ago
on liberalism and conservatism.

It was delightful.

I was not able to catch the website address.

Fortunately, the Europe 1 staff directed me

to your site and to the YouTube channel.

I devoured the French podcasts and I am eager for more of them.

Starting from zero, I have learned a lot about God, and a lot about Jesus.

I was astonished as I listened to your latest study which began
with the title "God stirs up turmoil".

I thought it must be rubbish but by the end I was persuaded.

It actually is reassuring to know that ostensible chaos is actually
totally controlled by God.

Your teaching of Jesus and trusting in Him is something I had never heard before
but which I am taking to heart.

I have been captivated by the studies of government
which have shaken my understanding.

I then listened to the series describing coming events

and I am beginning to think that Jesus may be the only answer.

Merci pour les podcasts en français.

A travers ces podcasts.

j'ai fait confiance à Jésus comme mon sauveur!

Thank you for the podcasts in French.

Through these podcasts,

I have trusted in Jesus as my savior!

I was very happy to discover the “Bible origin” series of studies.

This professor is probably the only person remaining who would be in the position
to know what the committees accomplished –

they restored every word of the original New Testament documents!

The scholarship is excellent, and the knowledge of Greek is superb.

Above all I am very grateful for the Gospel message

which is presented clearly and simply in every study.

Kraków, Poland

The “Bible origin” series is a masterpiece.

I know that Carlo is very happy to see this.

I encourage everyone who wants to know how

the original New Testament documents were restored to listen to these.

It takes some work and time but it is well worth it.

The reviews are somewhat lengthy but they are necessary.

Thank you for the Gospel message in every study.

J'ai écouté l'étude du livre biblique de Ruth plusieurs fois
parce que je n'avais jamais rien entendu de tel.

Je comprends enfin qui est Jésus

et pourquoi il est mort sur la croix - pour moi!

Translation:

I have listened to the study of the biblical book of Ruth several times
because I had never heard anything like this before.

I finally understand who Jesus is

and why He died on the cross -- for me!

Vous avez été très impressionnant lors de votre apparition sur Europe 1 TV.

J'ai été très troublé de voir qu'un

de mes guides spirituels ignorait totalement la Bible.

J'ai commencé à écouter vos podcasts,

en commençant par ceux qui sont (parfaitement) présentés en français.

Il semble que vous ayez des réponses.

Translation:

You were very impressive during your appearance on Europe 1 TV.

I was very disturbed to see that

one of my spiritual leaders was totally ignorant of the Bible.

I have begun to listen to your podcasts,

starting with those that are (perfectly) presented in French.

It seems that you have some answers.

Pas-de-Calais, France

Vos commentaires sur Europe 1 étaient excellents.

C'était dérangent de voir qu'un soi-disant chef spirituel

ne savait manifestement pas de quoi il parlait

J'ai envoyé un e-mail à la station pour lui demander de vous inviter à nouveau.

Ils ont répondu avec l'assurance que vous serez un invité régulier.

Ils m'ont également dirigé vers votre site Web et m'ont même encouragé à visiter,

ce que je fais actuellement.

Translation:

Your comments on Europe 1 were excellent.

It was disturbing to see that a so-called spiritual leader

obviously did not know what he was talking about.

I sent an email to the station asking them to invite you again.

They responded with the assurance that you will be a regular guest.

They also directed me to your website and even encouraged me to visit,

which I am currently doing.

Asnières-sur-Seine, France

J'ai été heureux de voir qu'Europe 1 vous a invité à revenir pour un autre commentaire.

Votre démantèlement du prêtre avait un but.

J'ai vite reconnu que le système religieux dont il fait partie
est dépourvu de toute réponse spirituelle.

J'ai écouté les podcasts français et j'apprends la vérité sur Jésus.

Translation:

I was happy to see that Europe 1 invited you to come back for another commentary.

Your dismantling of the priest served a purpose.

I quickly recognized that the religious system of which he is a part
is devoid of any spiritual answers.

I listened to the French podcasts and I am learning the truth about Jesus.

Neuilly-sur-Seine, France

J'ai apprécié tous vos commentaires sur Europe 1.

Vos podcasts ont suscité un intérêt pour la Bible.

The studies of art, music and literature are unequalled in excellence.

I never learned anything like this in college.

I have never been interested in religion,

but these studies have given me a new appreciation of the Bible.

The Jehu lesson is absolutely stunning.

It is hilarious and the impersonation is right on!

But what a serious message

and which is perfectly suited to the world today –

especially the US.

The Gospel is presented in a refreshingly simple manner!
